Dear Friends of SDHDF,

On behalf of San Diego Human Dignity Foundation Board of Directors and staff, I would like to thank you for your partnership in our mission to improve the quality of life for LGBT people in San Diego. Your ongoing support is the fuel that keeps our wheels in motion throughout the year!

I am excited to share with you a brief update on our Foundation Club and our improved benefits of joining our sustained giving program. We are most grateful for your commitment to supporting our LGBT and HIV/AIDS communities. By becoming a sustaining supporter of SDHDF, you will ensure that those in our community who are in most need will have access to vital services that improve the quality of life for all San Diegans. Your generous donations benefit organizations that provide life-saving services for children, women, those who are living with HIV/AIDS and our LGBT seniors.

This is just a sample of the incredible and much needed work being accomplished through your community foundation and our many partners. It's important to remember that the work being done through the Aging with Dignity and Lesbian Health initiatives and the San Diego HIV Funding Collaborative could not be accomplished without the support of local businesses and kind individuals such as you.

To thank our many sustaining contributors throughout the year, SDHDF would like to make you award of the Foundation Club program. Members of the Foundation Club are individuals who commit to giving a minimum of \$1,200 to San Diego's LGBT community or individuals who maintain a Donor Advised Fund at a level of \$10,000 or higher, to help support the efforts of SDHDF and our community partners. These gifts may be made in monthly or quarterly installments for your convenience.

Included in this letter, you will find a copy of our updated Foundation Club structure. We hope that you will consider joining SDHDF as a Corner Stone, Key Stone, Mile Stone or Gem Stone member. With each member level, not only will you support the only LGBT community foundation in San Diego, but you will receive special member benefits as a token of our appreciation.

Those who join the Foundation Club before April 1st, 2016 will receive two VIP ticket packages for our upcoming Spring event, "Uprising: Songs of Change" featuring the San Diego Women's Chorus and a special guest star who will be sure to amaze! This concert will take place at the historic Balboa Theatre and will include an invite-only after party at the Hard Rock Café, a \$500 value. Last year's incredible event, "Broadway, Our Way" with the fabulous Frenchie Davis and 2014 sold out concert, "Songs of Protest, Songs of Peace" featuring The Indigo Girls, received critical acclaim and demonstrated the top notch talent of the all-inclusive San Diego Women's Chorus. The concert, along with the after party has become the "must attend" signature women's event for San Diego's LGBT community.

I hope that you will consider this request.
